Supt. U.S. Mint  
Philadelphia

Dear Sir:

We return to-day  
by Adams Express  
2 coin boxes such  
as Oct

It was our first experience  
in getting coin from the mint  
and not being aware that  
the boxes had to be returned I  
opened one of them with a hammer  
(not having a screw driver at hand)  
and I fear ruined the box.  
If you will advise me  
as to the amount of damage  
I shall be pleased to remit.  
Hereafter will exercise more  
care in opening

Very truly
